As a resident of Connecticut, I am asking for you to support HB 6690. An animal advocate in court will highlight the injuries to the animal and spotlight the fact that abuse of animals is a RED FLAG for future violent behavior and 80% of school shooters started by abusing animals. It will give us the opportunity to step in and STOP this horrible violence and get the proper punishment and treatment for the abuser. We need to speak for those who can not speak for themselves. Thank You.

Sincerely,  
Barbara A. Clark
